### **Planning application: 8 Chartwell Place. Ref: P/0188/19**

Dear Shamal London

The Harrow Hill Trust Planning Committee has considered this retrospective application and a member has visited site.

The shed is I'm afraid an eyesore in the front garden of the property and unduly prominent in the street scene (see photo below). It detracts from the open character of the area and as such I believe the application is against Conservation Area and planning policy and should be refused.

There is another shed on an adjacent property and this ought to be investigated for enforcement action if appropriate.

The character of the area is, and is at risk of being further, undermined by inappropriate outbuildings and any precedence created by existing inappropriate intrusions should not be taken into account.

Kind regards,
