Planning application: Harrow School, New Schools Football Lane, HA1 3HT. Ref: P/3993/18

Dear Tendai Mutasa,

The Planning Committee has examined the above application and believe the proposed flue will be intrusive into one of the main views through the gap between New Schools and the chapel. For this reason, we object to the proposals.

The flue will also be an incongruous addition and affect the setting of the listed building.

Kind regards,

Dr Simon Less

Chair, Harrow Hill Trust Planning Committee
