Planning application: P/3489/19 – 42 Roxeth Hill

Dear Blythe Smith

The Harrow Hill Trust Planning Committee has considered this application and has the following comments.

We have no objection in principle to the proposed extension, but we consider the detailing of the extension is ought to be improved as a condition of granting the application.

Reducing the internal ceiling height would allow for a more sympathetic parapet to the extension. This could have brick on edge and tile creasing coping. In addition the extension should be set in slightly from the existing side wall so that the junction is articulated and a poor straight joint is avoided.

Kind regards,

Dr Simon Less

Chair, Harrow Hill Trust Planning Committee
