Planning application: P/5144/19 – 97 West Street

Dear Blythe Smith

I note that a revised application has been submitted for extension and development of 97 West Street into a house of multiple occupation.

Despite the revisions from the previous application, the objections of the Harrow Hill Trust planning committee, set out in our letter (attached) of 22nd September on previous application P/2843/19, still stand.

Kind regards,

Dr Simon Less

Chair, Harrow Hill Trust Planning Committee
