Planning application: P/0797/20 – 11 Kingsfield Road

Dear Shamal London

The Harrow Hill Trust Planning Committee has considered this application and has the following comments.

We note the drawings, which show one roof light on the front slope and 2 on the rear, do not appear to tally with the application description.

We object to the roof light on the front elevation as this is out of character with the street scene and do not consider it acceptable in the conservation area. We also consider the proposed roof lights are overly large and too close to the ridge.

Kind regards,

Dr Simon Less

Chair, Harrow Hill Trust Planning Committee
