cc Ward councillors

Planning application: P/0987/20 – 27 High Street

Dear Aadil Essa

The Harrow Hill Trust Planning Committee has considered this application. We object to the change of use away from retail.

The site is in the core shopping area identified in the conservation area documents and in the SPD, and its retail use is needed to strengthen the vitality of the village character.

Kind regards,

Dr Simon Less

Chair, Harrow Hill Trust Planning Committee
