St Donats, 17 Orley Farm Road

Dear Planning Enforcement

The Harrow Hill Trust Planning Committee has become aware of works at St Donats, 17 Orley Farm Road, for which we are not aware planning consent has been secured.

Concrete appears to have been laid over the existing drive and pathway as well as part of the front garden. (We note that Harrow Council refused planning permission for hard surfacing in the front garden of Wessex, Hill Close, in 2018.)

Other works, following granting of application P/3563/19, appear to have proceeded despite the fact that application P/1150/20 for details of materials was refused.

Kind regards,

Dr Simon Less

Chair, Harrow Hill Trust Planning Committee
