Planning application: P/2184/20 – 7 Runnelfield

Dear Catriona Cooke

The Harrow Hill Trust Planning Committee has considered this application and has the following comments.

The points made in our letter of 16th March (attached again to the covering email) continue to be applicable to this revised application.

We also do not consider that the revised application has addressed most of the reasons for refusal of the previous application P/0370/20, in particular harming the contribution that gardens make to the character of the area and making 'a disproportionate, incongruous and obtrusive development that would result in a loss of openness and detract from the character, massing, composition and design of the host dwellinghouse and neighbouring properties to the detriment of the pattern of development in the streetscene, the character and appearance of the locality, and the visual amenities of the area'.

The application should be refused.

Kind regards,
