**RE: P/1650/21 Gavarnie 4 Penketh Drive**

Dear Shamal London

This is extension with its set back position is one too many, resulting in overdevelopment of the original house (that has already been extended). This creates a wall of development, detrimentally closing the visible gap between the neighbouring house, thus undermining the local character of houses set within large gardens.

We would be grateful if you could also check previous applications as to when the garage doors were permitted to become windows.

Yours sincerely

*Paul Catherall*
