**RE: P/5010/21 Hillfield,**

**30th January 2022**

Dear Catriona Cooke

Please can the application be looked at in conjunction with the approved plan for the detached two storey granny annex having specific regard to access to the granny annex. We are concerned that the new pool will effectively close off vehicle access to the granny annex from the existing substantial driveway and therefor create a reason / demand for a brand-new access route from Mount Park Avenue to serve the granny annex. Such access is currently unnecessary but would be detrimental to the conservation area. This needs to be resolved/ stipulated to protect the conservation area.

Yours sincerely

*Paul Catherall*
