**RE: P/1141/22 1 Leabank Close**

Dear Catriona Cooke

The whole architectural intent would be lost with the proposed change in roof design, as the asymmetrical roof shape of the existing is key. It would look out of character relative to nearby buildings with the whole character changing in an unsympathetic way. The columns proposed would not fit with the design of the building. The proposed five high level rooflights are incongruous.

Yours sincerely
