RE: P/0643/22 The Castle Pub

Dear Fergus Freeney

We wish to raise the following objections to the proposed development.

The design of the handrails is very poor with a cheap industrial feel which together with the brutish concrete steps detract from the Listed building.

We are also concerned for the privacy of neighbours should the public be allowed to use the steps.

There has been a missed opportunity to work with neighbours on a planting scheme and noise mitigation for this complete development including this application, especially with the heavy tree pruning undertaken despite assurances to the contrary.

Yours sincerely

Paul Catherall
