**RE: P/0291/23 Druries High St.**

**22 February 2023**

Dear Fergus Freeney

We believe that the proposed gate should reflect the style of the railings and that of the side pedestrian gate to the same property which is located off Church Lane. A more plain style without the scrolls at a height consistent with the railings would achieve this and it would not detract from the grade II listed gates designed by Sir Herbert Baker between Druries and Old Schools.

Yours sincerely
